

THE HERALDRY SOCIETY

THE HERALDRY ARCHIVE

HERALDRY SOURCES IN DIGITAL MEDIA

The Heraldry Archive seeks to make accessible in digital media the essential tools of heraldic scholarship, such as learned journals, essential reference works, heraldic surveys, and conference proceedings.

A full list of the titles published so far can be found in the shop on the Heraldry Society's website, at <https://www.theheraldrysociety.com/shop/category/archive/>, where they can also be purchased.

With the assistance of the City of Bath Heraldic Society and the Somerset Heraldry Society the Heraldry Archive has digitised:

- Somerset Church Armorial by Peter Roe (CD)
- Heraldry in Glamorgan by Anthony Jones (CD)
- Journals of Heraldry Societies in South and West England (CD), including:
 - Somerset Dragon from 2003 to present
 - Tabard (Bath) from 1975

These discs can be purchased through the Somerset and Bath Societies

The collections are generally presented in HTML (web) format, with the actual documents in searchable PDF format. Usually there are tables of contents and often a search facility.

All are offered for sale in UK at £20 each (elsewhere £25) including postage and packaging.
